Stepping through the reception hall, you are greeted with a welcoming space that features the staircase rising to the first floor and a convenient WC. To the front, the spacious lounge spans the full length of the home, offering a wonderful dual aspect with views to both the front and rear. This room flows effortlessly into the bright and airy orangery — a stunning addition to the property — complete with a striking lantern ceiling, contemporary media wall and French doors that open directly onto the garden. Back through the hall, you will find a separate family room offering excellent versatility, ideal as a playroom, home office or even a fifth bedroom if needed. Completing the ground floor is the modern fitted kitchen/diner, finished with integrated appliances including a dishwasher, washing machine, hob and ovens. A breakfast bar and dedicated dining area make this a perfect social hub for the whole family.

To the first floor, a large landing provides access to four well-proportioned bedrooms. The master bedroom benefits from fitted wardrobes and a stylish three-piece en-suite shower room. The remaining bedrooms are served by the contemporary family bathroom, finished with a modern three-piece suite and an over-the-bath shower.

Externally, the property is approached via a fenced and gated frontage that leads directly to the front door. To the rear, you will find a beautifully landscaped garden designed for both relaxation and entertaining, featuring multiple seating areas, a decking area and a generous artificial lawn. The former garage has been cleverly converted into a superb bar with bi-folding doors, seamlessly blending indoor and outdoor spaces — perfect for hosting gatherings. Behind the bar is an additional covered outdoor bar area, offering further versatility. Beyond the garden lies a driveway with parking for up to two cars, while the garage can be converted back to its original use if required.

Overall, this is a fantastic family home offering style, space and flexibility in a brilliant location.
