To the first floor, a spacious landing provides access to four bedrooms. The property benefits from two generously sized doubles alongside two further well-proportioned bedrooms, offering flexibility for family living, guest accommodation, or home office use. Completing the floor is the family bathroom, alongside two convenient storage cupboards, ensuring practicality is at the heart of the home.

Externally, the property is equally impressive. To the front, a low-maintenance garden has been finished with decorative stone, flagging, and planting, and is fully gated for added privacy. To the rear, a large, enclosed garden offers both space and style, laid with artificial lawn, decorative stone, and mature shrubs, creating a welcoming environment for outdoor enjoyment. Beyond the garden is access to the property's driveway, with room for two cars, making city-centre parking simple and convenient.

In summary, this well-cared-for and deceptively spacious home presents an excellent opportunity for those wanting generous living space in a prime city-centre location. With its four bedrooms, versatile layout, and excellent travel connections, it makes an ideal choice for larger families. The house also benefits from a brand new boiler which was installed in July 2025 and boasts a 5 year warranty.

It is also worth noting that the property, despite being Leasehold, has no ground rent or service charge associated with the property and has a long lease of 973 remaining years.
