From here, the spacious front lounge is positioned to the right and benefits from a large bay-fronted window, creating a naturally light and inviting space for relaxing with the family. Straight ahead, the generously proportioned kitchen diner forms a superb hub of the home, with tiled flooring continuing throughout and ample room for a sizeable family dining area. The modern fitted kitchen is equipped with a range of integrated appliances, while large glazed double doors provide a seamless connection to the rear patio and garden, allowing the space to work particularly well for both everyday family life and entertaining. A door leads through to the separate utility room, which continues the same tiled flooring and benefits from integrated appliances, while also providing access to a convenient two-piece downstairs WC and an external door leading directly onto the rear patio and garden.

The first floor provides three further bedrooms and two bathrooms, offering excellent flexibility for a larger family. The impressive master bedroom is positioned to the front of the property and features a front-facing window, together with a private dressing area and a luxury four-piece en-suite bathroom, creating a comfortable and well-appointed principal suite. Bedroom two also overlooks the front aspect through a characterful bay window and benefits from integrated wardrobes and its own three-piece en-suite shower room, making it particularly suitable for teenagers, guests or family members seeking additional privacy. Bedroom three overlooks the rear garden and provides a pleasant outlook, while completing this floor is the luxury four-piece family bathroom, providing excellent facilities for the household. Continuing to the second floor, the landing gives access to bedrooms four and five, with bedroom four positioned to the left and featuring a front-facing Velux window, whilst bedroom five is positioned to the right and also benefits from a front-facing Velux window. A large three-piece shower room with a corner shower is conveniently positioned between the two bedrooms, completing this versatile upper level and offering an excellent degree of separation for older children, guests or those requiring dedicated bedroom space.

Externally, the property is approached via a tarmacked driveway providing off-road parking for up to two cars and leading directly to the integrated garage and welcoming front porch. The front garden is beautifully maintained, predominantly laid to lawn and enhanced by established planting, together with a mature tree and hedge running along the right-hand side, creating an attractive approach to the home. Gated access to the left-hand side leads through to the rear garden, where the property truly comes into its own. The large, enclosed and private rear garden has been beautifully maintained and features a generous lawn together with a paved patio spanning the rear of the property, providing an excellent setting for outdoor dining, entertaining and family relaxation. Planted borders run to both sides, while a two-tier raised border extends across the rear and is complemented by double-height fencing panels.
