

**Blackburn Road, Chorley**

**Offers Over £199,995**

Ben Rose Estate Agents are pleased to present to market this fantastic investment property and development opportunity with significant potential. This charming two-bedroom detached bungalow, located in Chorley, sits just a five-minute drive from the town centre and is ideally positioned within easy reach of local amenities including shops, schools, and cafés. Excellent transport links are available with Chorley train station and regular bus routes nearby, as well as convenient access to the M6 and M61 motorways, providing seamless connections to Preston, Bolton, and Manchester. The property also offers exciting potential to extend and convert into a four-bedroom home, with planning permission already granted.

Entering the property through the entrance porch, you are welcomed into the central hallway. To the left, you'll find the spacious lounge featuring a vintage Parkray fireplace and a large bay window overlooking the front aspect. The lounge leads through to the kitchen/diner at the rear, which includes fitted wall and base units and provides access to both the three-piece family bathroom and the bright, airy conservatory which enjoys double patio doors opening directly onto the rear garden.

Back through the hallway, you'll find two well-proportioned double bedrooms, both benefitting from integrated storage. Additional practicality is offered by the partially boarded loft with a convenient pull-down ladder.

Externally, the front of the property enjoys open views from its elevated position, with approximately 25 metres of multi-tiered garden space and steps leading from street level up to a raised patio and the main entrance of the home. At street level, there is a detached garage providing off-road parking or useful additional storage. To the rear is another generously sized garden, extending around 16 metres, mainly laid to lawn with a flagged patio area and a charming summer house. To the side of the property, an attached work shed offers versatile space for hobbies, storage, or potential development.

The property benefits from granted planning permission for the addition of two front dormers and alterations to the front elevation, making it ideal for growing families or those looking to expand their living space. Early viewing is highly recommended to avoid disappointment and fully appreciate the potential this home has to offer.
