Nearby, Buckshaw Parkway train station offers direct links to both Preston and Manchester, while additional excellent travel connections include local bus routes and easy access to the M6 and M61 motorways.

The home has been recently decorated, including luxury carpets throughout, offering a comfortable and stylish interior that is completely move-in ready.

Stepping into the property, you will find yourself in the welcoming entrance hallway, where a convenient WC is located, along with stairs leading to the upper level. To the right, you will enter the spacious lounge, which spans the full width of the property and features a central fireplace, large front-facing window, and sliding patio doors that open onto the rear garden.

Back across the hallway is the open-plan kitchen/diner. The contemporary fitted kitchen offers ample storage with integrated appliances, including a fridge, freezer, double oven, hob and dishwasher. The dining area provides generous space for a large family dining table and benefits from dual-aspect windows to both the front and rear. Just off the kitchen is a convenient utility room with a sink, additional storage, and space for freestanding appliances. A single door from here leads out to the garden.

The gas hob and electric oven are just 18 months old, and the home also benefits from a Vaillant boiler (4 years old), fitted and maintained by British Gas.

Moving to the first floor, you will find two well-proportioned double bedrooms, both benefiting from integrated storage, with the master bedroom boasting a private ensuite shower room with an extended double cubicle. The modern three-piece family bathroom with an over-the-bath shower is also located on this level.

Continuing to the second floor, you will find a spacious landing and two further double bedrooms with the third bedroom including integrated storage.

Externally, the property includes a double driveway providing off-road parking and leading to the single detached garage. The garage, accessed via an up-and-over door, is equipped with power and lighting and offers either secure parking or practical storage. There is also ample additional on-road parking for residents and visitors.

To the rear is a beautifully landscaped, generously sized garden featuring a central lawn, established borders, flagged patio areas, and a convenient storage shed. The garden is not overlooked, offering a private and peaceful space for relaxing or entertaining.
