

Walletts Wood Court, Chorley

Offers Over £189,995

Ben Rose Estate Agents are pleased to present to market this three-storey mid-terrace townhouse, offering generous living space and excellent potential, ideally suited to families and couples alike. Situated in a sought-after area of Chorley, the home enjoys a convenient position close to the town centre, where a variety of local shops, supermarkets, restaurants, pubs and well-regarded schools can be found. The property also benefits from superb travel links, including a nearby rail service with direct routes to Preston and Manchester, excellent bus connections to Preston, Blackburn and Wigan, and easy access to the M6 and M61 motorways. Nearby Preston and Leyland further enhance the range of amenities and leisure opportunities available.

Upon entering the property, you are welcomed into a bright entrance hall that provides access to the main ground floor accommodation. To the front sits a fitted kitchen, offering ample worktop space and storage. Conveniently located off the hall is a useful WC. Moving towards the rear, you'll find a spacious lounge and dining area spanning the full width of the home, providing a versatile and inviting space for relaxing and entertaining. French doors lead through to a large conservatory, which enjoys pleasant views over the garden and features further French doors opening onto the patio, allowing for plenty of natural light throughout.

The first floor hosts two well-proportioned double bedrooms, both offering comfortable accommodation suitable for family members or guests. This level is served by a modern three-piece family bathroom. Continuing to the second floor, the impressive master bedroom occupies the entire level, featuring Velux windows that flood the room with light, along with the added benefit of a private ensuite shower room.

Externally, to the rear, a private garden with a paved patio area offers an ideal space for outdoor seating and entertaining. This spacious home presents a fantastic opportunity with plenty of potential.
