Detached four-bedroom family home, commanding an exceptional position within a modern development that borders open farmland in the village of Langford. 97 Muntjac Road is an exquisite property that delivers a distinguished blend of contemporary design, elevated specification and energy-efficient living. Constructed by Crest Nicholson in 2022, and benefiting from the remainder of its structural warranty, the home has been further enhanced by the current owners through the installation of a solar panel system, paired with a battery storage solution, significantly improving efficiency and reducing ongoing costs. The generous entrance hall leads through to an elegant box bay fronted sitting room positioned to the front, offering a refined and welcoming retreat. To the rear, the full-width kitchen/dining room forms a truly impressive social space, framed by garden and countryside views and finished with contemporary fittings befitting a home of this calibre. French doors invite a seamless flow onto the patio, creating a perfect setting for entertaining. A beautifully appointed cloakroom and thoughtfully designed utility room provide everyday convenience and complete the ground floor. Upstairs, the accommodation continues to impress, with four well-balanced bedrooms. The principal bedroom is complete with a modern en-suite shower room and built-in storage, while the additional bedrooms are served by a family bathroom, ideal for family living or hosting guests.

Outside, the rear garden is south-facing and therefore benefits from a wonderful amount of sunshine during the summer months. The garden is enclosed and offers a great deal of privacy from neighbouring homes, and sides onto open farmland. Laid mainly to lawn and patio, it is an area that is ideal for families looking for a secure space for children to burn off excess energy, entertain, or impart your personality with some landscaping. A secure gate to the side provides access to the driveway, where you will find off-street parking for two vehicles in front of the garage. To the other side, the current owners have created a covered, hard-standing area ideal for additional parking if you have a motorcycle, or simply using it for additional storage. To the front are two planted beds that contain a variety of shrubs, either side of a path that leads to the main entrance.

97 Muntjac Road is situated in a desirable position within the development, enjoying a convenient setting just off Stock Lane, offering excellent access to the A38. This makes it an ideal choice for buyers commuting to Bristol City Centre or Weston-super-Mare, while also being only a short drive from Yatton's mainline railway station and Bristol International Airport. Langford is perfectly positioned on the edge of the Mendip Hills, placing miles of outstanding natural beauty right on your doorstep. The village itself provides a welcoming community atmosphere and a good selection of amenities, including local shops, a doctors' surgery, and traditional village pubs.
