If you are seeking a property that offers a calming retreat from the bustle of everyday life, while still being perfectly located within a few miles of local shops, transport and community facilities, First Floor, The Tythe Barn presents the ideal choice. Full of history, character and modern comforts, it offers a unique lifestyle opportunity in a truly charming environment. Believed to be an 18th century Tythe barn, this remarkable former agricultural building has been thoughtfully converted to offer stylish, contemporary accommodation while retaining much of its original charm to include stone capped alcoves, narrow arrow slit windows and the distinctive brick arches. The result is a delightful two bedroom, loft style apartment that feels wonderfully light and airy, enhanced by its impressive high ceilings, exposed timbers and neutral décor throughout.

Access to the property is gained via a set of traditional stone steps running up the side of the barn. A substantial glazed door opens into the spacious, open plan interior, arranged around a generous central living area.

Large windows to both the east and west flood the space with natural light throughout the day, with views over the farmland beyond. There is a defined dining area with a contemporary overhead light, while a wall mounted electric fire provides an attractive focal point within the living room. The décor includes engineered oak flooring, wooden doors and neutrally painted walls.

The well appointed bathroom features a large walk in shower and includes a modern, pull-up airer designed to make clothes drying simple and efficient. There are two bedrooms, both are generously in size and sit at opposite ends of the living room, offering privacy and a pleasing sense of balance. Each room benefits from high, beamed ceilings and comfortable carpeting, contributing to a peaceful retreat like feel.

Outside, the Tythe Barn occupies a charming position within the grounds of Little Manor, approached via a shared driveway off Wick Road. Parking for two is available in the shared yard adjacent to the barn to include a useful large storage shed. The property also has the benefit of a sheltered raised decked area of garden that captures the sun from late morning until the evening and is a perfect spot for alfresco dining or for container planting, giving keen gardeners the opportunity to grow herbs, flowers or seasonal pots with ease.

Wick Lane is a peaceful rural setting in the village of West Hewish, a location that offers both tranquility and convenience. Surrounded by attractive farmland and open countryside, The area is ideal for those seeking a quieter lifestyle while remaining within easy reach of amenities. Local facilities can be found in neighbouring villages such as Congresbury and Banwell, while a wider choice of shops, schools and leisure opportunities are available in Weston-super-Mare and Clevedon. For families, the property sits within reach of well-regarded primary and secondary schools. Commuters will appreciate the excellent transport links, with swift access to the M5 motorway at Junction 21, and railway services available from Worle and Yatton stations, providing direct connections to Bristol, Bath, and London Paddington. Bristol Airport is also within easy reach for international travel. In addition to these practical benefits, the location is surrounded by areas of outstanding natural beauty, with the Mendip Hills close by and the coastline at Weston-super-Mare just a short drive away, offering endless opportunities for walking, cycling, and outdoor activities.

Overall, The Tythe Barn is a truly distinctive property, and we highly recommend arranging a viewing to appreciate its charm.
