Modern three-bedroom family home, situated within the Mead Field development in Banwell. 32 Porters Drive was built in 2021 by Taylor Wimpey to the ever-popular Gosford design, is immaculately presented throughout, and offered to the market with no onward chain. This stylish three-bedroom end-of-terrace home offers modern living arranged over two well-planned floors, and also benefits from the remainder of its new home warranty, making it ideally suited to first-time buyers, growing families, or those seeking a low-maintenance turnkey home. The accommodation is approached via an entrance hall which provides access to the principal living area, and stairs leading to the first floor landing. The sitting room is a generous and welcoming room, positioned to the front of the property and offering ample space for a range of living furniture. To the rear, the heart of the home is the impressive kitchen/dining room, beautifully proportioned and flooded with natural light. The kitchen is fitted with modern units and integrated cooking appliances, with plenty of space for a family dining table. Double doors open directly onto the rear garden, making this an ideal space for entertaining and everyday living. A WC and a generous storage cupboard add to the everyday convenience. On the first floor, the principal bedroom enjoys the benefit of a modern en-suite shower room, while two further well-proportioned bedrooms are served by a smart family bathroom.

The rear garden is a well-proportioned and fully enclosed outdoor space. Immediately to the rear of the property is a paved patio area, ideal for outdoor seating and entertaining, that leads onto a level lawned garden that provides ample space for children, pets or further landscaping if desired. Timber panel fencing borders the garden, creating a secure and defined setting, while the end-of-terrace position enhances the overall sense of openness. To the front, you have an area laid to lawn with a pathway leading to the main entrance. Adjacent is the driveway, providing off-street parking for two vehicles.

Porters Drive is situated within Mead Fields, a modern Taylor Wimpey development, situated on the edge of the well-regarded village of Banwell & West Wick. This great location offers a pleasant balance between village life and convenient access to surrounding towns and countryside. Banwell itself provides a range of everyday amenities, including local shops, public houses, cafés and primary schooling, all set within a friendly and established community. The area is particularly well placed for commuters, with excellent road links via the A38 and easy access to the M5, connecting Bristol, Weston-super-Mare and beyond. For a wider selection of shopping, leisure and coastal attractions, the towns of Weston-super-Mare, Clevedon and Nailsea are all within comfortable reach.
