DESCRIPTION

This substantial detached family home is located in the prestigious area of Codsall Wood, Staffordshire. Set back and offset from the roadside, the property is approached via a fenced frontage with double gates opening onto a large private driveway, providing ample off-road parking. The front of the property has been neatly landscaped and also benefits from an EV charging point, adding convenience for modern family living.

The property has been completely transformed in recent years and is now beautifully presented throughout. The layout of the accommodation is flexible as there is an annex to the ground floor which has been used for short term holiday lets but would also be ideal for a dependent relative.

Upon entering through the porch, you are welcomed into a spacious hallway providing access to all ground floor accommodation, with stairs rising to the first floor. The hallway also benefits from a generous downstairs WC, complete with toilet, sink and frosted window, currently also used as a cloakroom.

Also positioned off the hallway is the dining room, again designed in an L-shape, featuring a front-facing window and an inset log burner, creating a warm and inviting space. This area flows beautifully into the impressive open-plan kitchen and family room.

The kitchen/family area is a superb feature of the home, offering a spacious seating area, bifold doors with electric blinds opening out onto the expansive rear garden, and a large ceiling lantern with electric blind, flooding the space with natural light. The modern kitchen includes a range of cupboards, worktop space, integrated appliances and a large window overlooking the garden. There is underfloor heating throughout this room.

To the first floor, the landing is bright and spacious, with a feature staircase and a large floor-to-ceiling window allowing in plenty of natural light while enjoying views to the front of the property. The landing provides access to the bedrooms and main family bathroom.

The main bedroom is located to the rear of the property and benefits from two double inset wardrobes, an additional cupboard and a private en-suite with shower, WC and sink. Bedroom three is also positioned to the rear, overlooking the garden, and includes a large, fitted wardrobe with sliding doors. Bedroom four is located to the front of the property with a large front-facing window.

The main family bathroom is positioned to the front and includes a shower, bath, sink, WC and large frosted window.
