## OUTSIDE

From the main road there is gated access with an intercom that homes four other properties. Tinkers Croft has electronically operated double gates and a block paved driveway providing off road parking for several vehicles, there is a well planted frontage with steps leading to the entrance and a side vehicular access which leads to the DETACHED GARAGE, which has an electronically operated roller shutter door, two double glazed windows to the side elevation, power, lighting and has previously been used as an office. The garage offers ample potential for conversion into a 'granny flat,' subject to planning, or other adaptable living spaces. There are steps which lead to a CLOAKROOM which has a low-level WC, wash hand basin and double-glazed opaque window to the side elevation. Adjacent to that is a storage room with tiled floor and double-glazed window to the rear elevation. There is a rear door which leads to the garden. The SUMMERHOUSE has a vaulted ceiling, double-glazed doors, side windows and spotlights, which can easily be turned into an office. Adjacent to the summerhouse is a double fronted shed.

The REAR has gated access with a paved patio area and steps leading up to a path which leads to the rear. There is a large lawn with established planted borders, a box hedge and a hedge to the boundary with stunning views across the farmers' fields.
