Telford Town Centre is readily accessible and offers an excellent range of amenities, while the popular market town of Shifnal provides a wide variety of shopping and leisure facilities including a full range of shops, post office, pubs and restaurants. The area benefits from regular bus services and local rail connections from both Shifnal and Telford stations. There is a good selection of both independent and state schooling in the area, and road communications are excellent, with Junction 4 of the M54 providing convenient access to Telford, Birmingham and the wider West Midlands.

### ACCOMMODATION

From the driveway, a pathway leads to the front door which opens into the entrance hall, laid with characterful flagstone flooring. Stairs rise to the first floor, with doors leading to the ground floor living areas. The dining room features exposed beams, flagstone flooring and a feature fireplace. Accessed from here is the boiler room and a convenient guest cloakroom/WC. The lounge enjoys a pleasant dual aspect to the front and side elevations, with exposed wood flooring and a further feature fireplace. The breakfast kitchen is fitted with base cabinets and worktops, incorporating a sink unit, oven/grill and hob with extractor over. A pantry cupboard provides convenient storage. Double doors open into the adjoining conservatory, providing a versatile additional reception space with two sets of double doors opening directly onto the gardens.

From the entrance hall, a split staircase leads to the first floor. The principal bedroom overlooks the front elevation and benefits from an en-suite bathroom. Two further well-proportioned double bedrooms are served by a Jack and Jill bathroom. Completing the first floor is a small snug area accessed from the landing.
