The village is surrounded by glorious Shropshire countryside enjoying an abundance of river and rail walks, riding and cycling routes.

ACCOMMODATION

Upon entering the property, the front door opens through into the entrance hall with stairs rising to the first floor. A door leads into the lounge, which enjoys a dual aspect and features an attractive cast-iron Hamlet log burner. From here, a doorway opens into the impressive open-plan dining kitchen. The dining area flows seamlessly into the modern kitchen, which overlooks the rear garden and surrounding countryside. A glazed lantern roof and French patio doors flood the space with natural light and provide direct access to the rear garden. The kitchen is fitted with a range of contemporary wall and base units with work surfaces over, incorporating a sink unit and integrated appliances including a fridge freezer and dishwasher.

From the entrance hall, doors also lead to a generous ground floor double bedroom overlooking the front aspect. A second double bedroom, currently utilised as a home office and hobby room, benefits from bi-fold doors opening onto the rear garden. This room is complemented by an adjoining laundry room, which provides space and plumbing for appliances, wall-mounted storage units, a wash hand basin, and an additional external door.

Completing the ground floor accommodation is a stylish family shower room, fitted with a modern white suite comprising a corner tiled shower enclosure, panelled bath, WC, and wash hand basin with vanity drawers beneath.

Stairs rise to the first floor principal suite, which consists of a spacious double bedroom enjoying dual aspect with views to the rear across the adjoining farmland and extends towards the Severn Valley Railway line. The bedroom benefits from a private en-suite shower room featuring a walk-in tiled shower, WC, wash hand basin with vanity storage below, and a heated towel rail.
