CHELTENHAM, GLOUCESTERSHIRE, GL52 6HJ

This elegant and well-proportioned period-style semi-detached home offers surprisingly quiet, light-filled accommodation arranged over two floors.

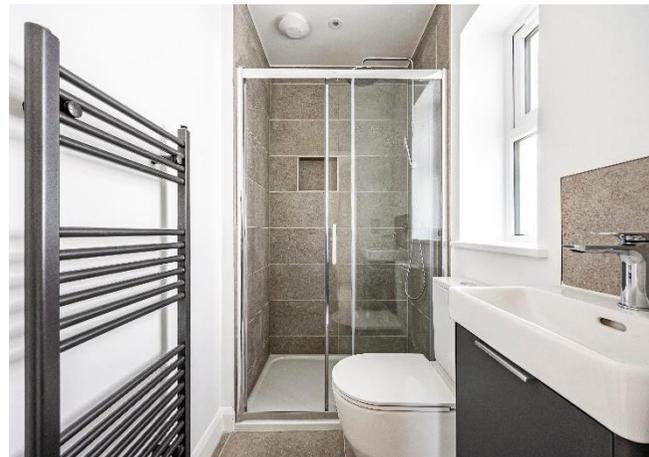

An imposing Regency-style aluminium front door opens into a generous reception hall, setting the tone for the space beyond and providing access to the principal rooms. To the rear, a beautifully designed open-plan kitchen/dining room forms the heart of the home, with sliding doors opening directly onto the garden, ideal for everyday living and entertaining. At the front, a formal sitting room provides a warm and inviting retreat. The ground floor also benefits from a utility room, a cloakroom, and a useful under-stairs storage cupboard.

Upstairs, the first floor comprises three well-proportioned bedrooms and two bath/shower rooms. The principal bedroom, positioned at the rear of the house, enjoys a contemporary en-suite shower room. The remaining bedrooms are served by a well-appointed family bathroom accessed from the landing.

Outside, the rear garden is designed for ease of maintenance, largely laid to lawn and complemented by shrubs and trees. A generous patio provides an ideal space for outdoor dining. The property also benefits from off-road parking for two vehicles.

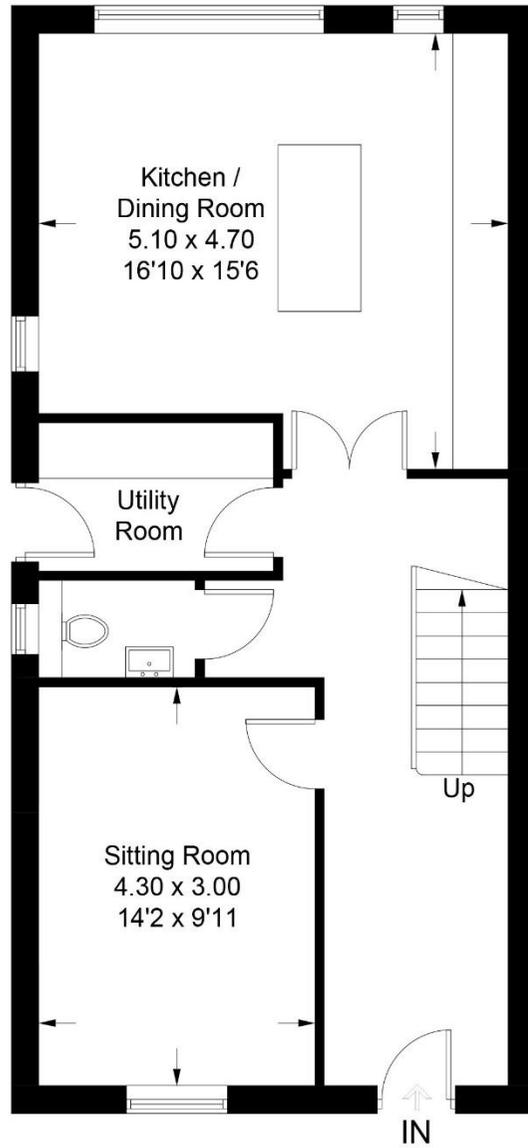

The property is conveniently located for the amenities of Six Ways and Charlton Kings Village, which offer a range of public houses, supermarkets, restaurants, and wine bars. The area is also well served by doctors' surgeries, dentists, and several highly regarded schools that are within walking distance. Notably, the property falls within the sought-after Balcarras School catchment area, widely regarded as one of the most popular state schools locally.
