*** A TRULY STUNNING & SIGNIFICANTLY EXTENDED SEMI DETACHED HOME WITH THREE DOUBLE BEDROOMS & EXPANSIVE GROUND FLOOR LIVING SPACE ***

Page & Wells are proud to bring to the market this fully refurbished family home, meticulously improved, in every way imaginable. The ground floor accommodation features an entrance porch, welcoming entrance hall with a staircase leading to the first floor & useful WC. The bay fronted sitting room comes with a gas fuelled log burner & useful storage built into the alcoves. The striking kitchen/diner has again been the subject of complete renovation & features a central island, which incorporates a dishwasher, fridge, wine cooler & breakfast bar. There are extensive fitted units, with further built in appliances & space for a large fridge/freezer. Bi-fold doors open out to the garden & there is the added benefit of under floor heating. Upstairs is equally impressive. Boasting three double bedrooms, the principal bedroom has a luxury en-suite shower room & ample built in storage. The additional two bedrooms have vaulted ceilings, an abundance of natural light & excellent storage. The newly installed family bathroom completes the accommodation. Externally, there is ample off road parking on the driveway, which leads to a single garage (being used as a gym and for storage), with its own power supply. There is also a summerhouse (with electric points), at the rear of a private, south facing garden, with a motorised canopy over the patio area. This home really does provide an opportunity for a purchaser to buy a property that feels like a new home internally, whilst enjoying the benefits of an older home in terms of plot size & character. Internal viewing is imperative to fully appreciate the standard of this home. Contact Page & Wells on 01622 756703
