Coire Vale is a well-positioned three-bedroom detached bungalow set within a particularly desirable and established part of Boat of Garten. Occupying a generous plot and enjoying a private but central setting, the property offers a rare combination of seclusion, outlook and immediate access to scenic forest walks. The accommodation is arranged over a single level and includes a spacious sitting and dining room with garden-facing aspects, a kitchen, three bedrooms, a shower room and a conservatory which enjoys a pleasant outlook over the rear garden. While the house would now benefit from a programme of modernisation, it offers excellent proportions and a highly adaptable layout, providing a strong foundation for refurbishment or reconfiguration to suit modern living. Outside, the garden grounds are a particular feature—largely level, well screened and bordered by mature trees, creating a peaceful and private environment rarely found so close to the heart of the village. The plot offers ample space for landscaping, outdoor seating and potential extension, subject to the usual consents. Coire Vale represents an increasingly rare opportunity to acquire a detached home in a prime Boat of Garten location, with significant scope to add value and create a superb residence within the Cairngorms National Park.
