An exceptional opportunity to create a striking contemporary home within the heart of the Cairngorms National Park, set on a generous and predominantly level plot extending to approximately one third of an acre at Croftonran, just outside Boat of Garten and close to Nethy Bridge. Full planning permission has been granted (ref: 24/01820/FUL) for a thoughtfully designed, energy-efficient detached family home with attached garage, carefully positioned to make the most of the surrounding Highland landscape. The proposed design blends crisp contemporary architecture with traditional Highland materials, combining clean white render with natural stone detailing to create a home that sits comfortably within its rural setting while offering a modern aesthetic. The internal layout has been carefully considered to provide spacious, flexible living over two floors. The ground floor is designed around generous open-plan living and dining areas, complemented by a winter garden, home office, utility and boot room—ideal for modern family life and outdoor living. Upstairs, the accommodation offers well-proportioned bedrooms, including a principal suite with dressing area and en-suite, alongside further bedrooms with en-suites and a bright landing space with feature glazing and balcony access. Large areas of glazing and carefully framed elevations ensure the house is flooded with natural light while taking full advantage of views across the surrounding countryside. The scale and orientation of the house make it ideal for an energy-efficient build. This is a rare and exciting opportunity to build a bespoke home in a peaceful yet well-connected setting, combining space and architectural quality. The plot enjoys easy access to the amenities of Boat of Garten and nearby Nethy Bridge, while outdoor pursuits, woodland walks and the wider attractions of the Cairngorms National Park are on your doorstep.
