This well-established and profitable garage business occupies a substantial property and plot in a private yet highly convenient position between Spey Avenue and the High Street in Grantown on Spey, providing an accessible trading location while remaining discreetly set back from the town's principal thoroughfares. Operating successfully for many decades, the business has developed a loyal and longstanding customer base comprising both private and commercial clients and benefits from a credible level of turnover and profitability. The present owners choose to operate five days per week in a manner that suits their lifestyle, providing an excellent opportunity for a new owner to continue the established operation while offering scope to increase trading hours or expand the range of services provided. The business is currently focused exclusively on vehicle servicing and repairs, generating a good level of income without reliance on vehicle sales or other associated activities. The substantial workshop is well equipped with both two-post and four-post 3.5-tonne vehicle lifts, together with the equipment and working space required for the efficient day-to-day running of the business. Additional accommodation includes a dedicated reception / office fitted with useful storage units and a separate storeroom, providing practical administrative, equipment and parts-storage facilities. Externally, the site offers parking and vehicle storage for several cars. Grantown on Spey is a popular and thriving Highland town situated within the Cairngorms National Park, serving an extensive surrounding rural area and benefiting from a strong resident population, established local businesses and year-round visitor activity. In addition to the existing commercial opportunity, the owner has advised the site may offer potential for residential development, possibly for one or more houses, subject to obtaining all necessary planning permissions and other statutory consents.

Trade

The garage has traded successfully for more than 50 years and has been operated by the current owner through a limited company for over 25 years, establishing a strong local presence and a loyal customer base. It represents an easily managed and profitable business opportunity, with the present owners choosing to concentrate primarily on vehicle servicing and maintenance. This focused approach provides a straightforward operating model while also offering potential for an incoming purchaser to expand the range of services, increase trading activity or develop additional income streams, should they wish to do so. Detailed financial and accounting information will be made available to genuinely interested parties following a formal viewing.

Location

The premises enjoy a highly convenient and accessible position occupying a plot extending to approximately 0.35 acres, with approaches available from both Grantown High Street and Spey Avenue, making the location particularly well suited to its established commercial use. Vehicular access to the workshop is provided through two substantial concertina-style sliding doors, allowing straightforward movement of vehicles into and out of the building and supporting the efficient day-to-day operation of the business. Internally, the accommodation includes a reception area and office, providing a practical space for customer enquiries, administration and business management, together with a separate store for parts, tools and equipment. The main workshop is arranged across two working bays and is equipped with two vehicle inspection lifts, creating a functional and well-organised environment for servicing, maintenance and repair work. Externally, the property also benefits from a separate portacabin, offering useful additional accommodation that may be suitable for storage, office use or other ancillary purposes, subject to the purchaser's requirements.
