Carlton Hill St. John's Wood NW8

Situated within a peaceful and tranquil community is this well presented, bright and spacious one bedroom apartment on the ground floor of a purpose built block, served by a residents porter.

The apartment enjoys direct access to the beautifully maintained communal gardens via a private rear entrance.

The property has undergone recent renovation and has an original parquet flooring beneath the current laminate, which was installed as a temporary measure to protect the flooring during renovations.

There is also potential to create a second bedroom if desired, subject to necessary consents (for which there is precedent).

Knoll House is located at the corner of Carlton Hill and Hamilton Terrace, and is within walking distance of the boutiques and restaurants of both St Johns Wood and Maida Vale as well as both underground stations (Jubilee and Bakerloo Lines).
