Birchwood Drive London NW3

Set within this ever popular, secure and gated private development built in 1986 and located opposite and abutting the Heath, is this well presented a bright semi-detached four/five bedroom house of contemporary design which offers 2,673 sq ft/248.33 sq m of internal space arranged over three floors.

The property offers flexible accommodation which makes it ideal for either a growing young family as well as for 'downsizer's', where excess bedrooms can be used as study's or extra dressing rooms. Presently the house provides on the ground floor a bedroom/study (with access to the garden), a media room/bedroom, a shower room, a single garage and car port for one car.

The first floor provides a lovely large double reception room (26'x17') and a beautifully appointed kitchen. Off of the reception room is a 18'3x16' sun-trap patio garden, ideal for al-fresco dining, as well as an internal 'conservatory style' staircase from the dining area which leads on to the main garden.

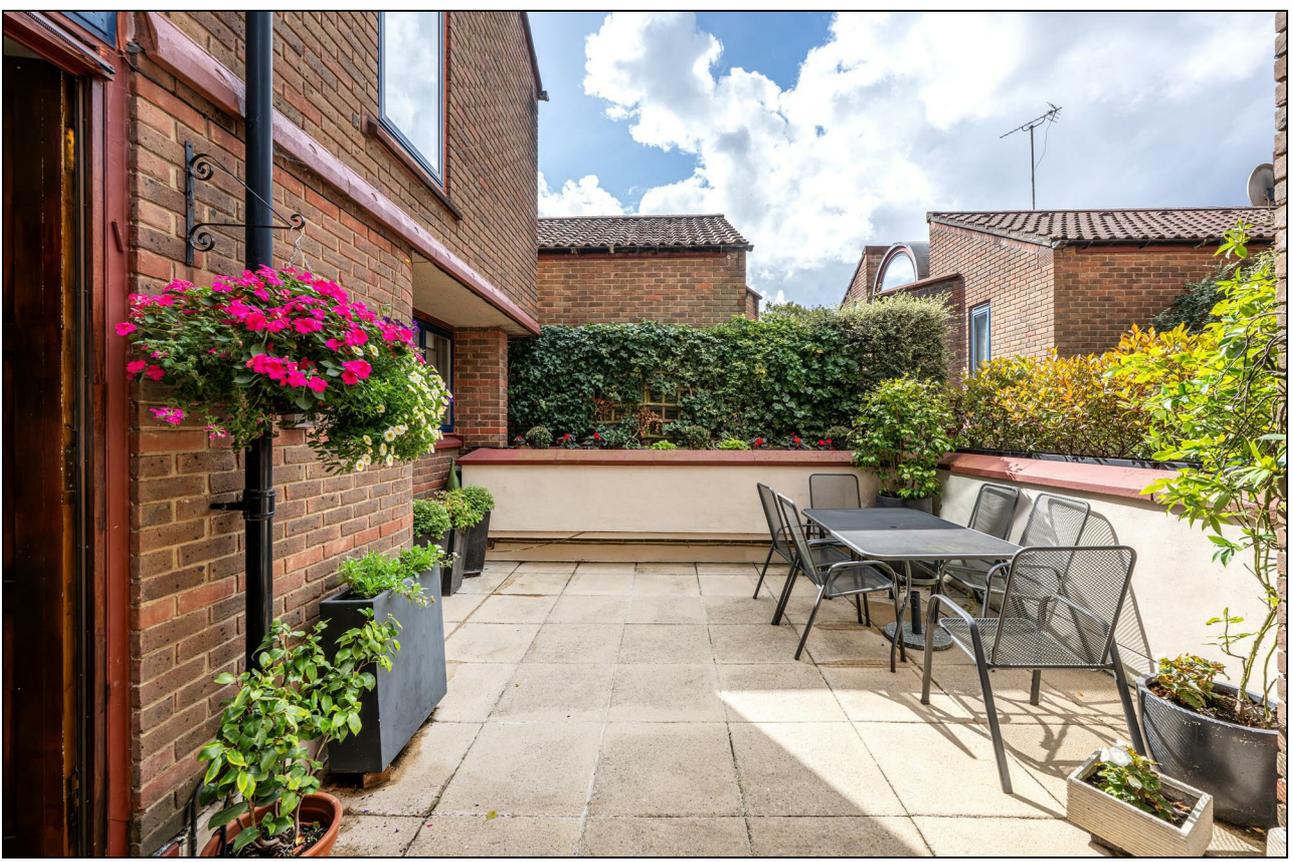

The second floor offers the principal bedroom with en-suite bathroom, two further double bedrooms (one with a mezzanine gallery) and a family bathroom.

All the excellent public transport, shopping, cafe and restaurant amenities of Hampstead Village are located approximately a ten/fifteen minute walk away.
