## Parkhill Road Belsize Park NW3

Set within an elegant Victorian residence distinguished by its classic beige brick façade and refined white stucco detailing, this exceptional three-bedroom duplex apartment occupies the top two floors, offering a rare “sky villa” ambience in the heart of Belsize Park. With an elevated position and remarkable privacy, the property enjoys far-reaching panoramic views across the London skyline.

Extending to approximately 1,168 sq ft, the apartment has been thoughtfully arranged to provide a clear distinction between living and sleeping accommodation, creating an ideal layout for both entertaining and family life. The interiors have been professionally redecorated and refreshed throughout (April 2026), resulting in a turnkey home ready for immediate occupation.

A defining feature of the property is its outstanding natural light, enhanced by three substantial dormer windows that deliver a triple-aspect outlook and an impressive sense of openness throughout. The elevated vantage point further enhances the feeling of space and tranquillity, rarely found in London living.

The property benefits from generous internal volume and private off-street parking, positioning the apartment as a compelling proposition within the Belsize Park market.

The property is within easy reach of the charming boutiques, cafés and restaurants along England's Lane and Haverstock Hill, while the green open spaces of Hampstead Heath are also nearby. Excellent transport links are provided by Belsize Park Underground Station (Northern Line), offering swift access to Central London and beyond.
