## **Sandy Road Hampstead NW3**

Ideal for both up-sizers and down-sizers!

On the market for the first time in circa forty years is this completely charming and characterful, detached, low built three bedroom period house, located quietly within an idyllic setting abutting the vast expanses Hampstead Heath.

This beautiful home presents a fabulous opportunity for both downsizers and for a new family starting out, as all the principal accommodation is arranged over the ground floor, with the master bedroom suite comprising vaulted bedroom, en-suite bathroom & dressing room, a family/tv room, a formal reception room, dining room, kitchen, utility room and guest W.C.

The first floor offers two further double bedrooms, a family bathroom, linen cupboard and extensive accessible loft storage.

A major feature of this special home, is the enchanting wrap around garden, made up of a secluded sun-trap lawn, deep mature flower beds with a huge array of colour, terracing and a fish pond.

Sandy Lane is a peaceful enclave of period properties located just off of North End Road and therefore equidistantly located between Hampstead heading south and Golders Green heading north.
