The apartment showcases a very tasteful blend of contemporary and period features, and comprises generous and flexible living/entertaining space, including a wonderfully bright, modern open-plan kitchen/dining/reception room with a skylight and floor to ceiling windows, which leads to the private south facing garden via French style glass double doors. The apartment also features partial under floor heating.

The garden level further comprises a 17'3 x 16'3 principal bedroom with ample fitted wardrobe space and an en suite shower room, plus and a further bright single bedroom with en suite shower room and a modern family bathroom.

The raised ground floor features two very spacious double bedrooms with abundant character including ornate cornicing and stained glass windows, either of which could also be used as additional living or entertaining space.
