Entrance Hall

A composite front door opens into this useful entrance hall with doors opening into the kitchen diner and lounge.

Lounge

A welcoming lounge with carpeted flooring, features a central wall-mounted electric fire with an attractive wooden mantel. A front-facing window allows for ample natural light, with a radiator underneath and a door provide access to the staircase and first-floor landing.

Kitchen Diner

A spacious kitchen diner fitted with a range of modern white kitchen units, complemented by black granite effect worktops and tiled splashbacks. Appliances include an electric oven, induction hob, stainless steel sink, and spaces for a washing machine, tumble dryer, and tall fridge freezer. The tiled floor, radiator, and strip lighting add to the practicality of the space. Dual-aspect windows to the front and rear enhance natural light, with additional features including a useful under-stair storage cupboard, consumer unit, and uPVC external door leading to the rear garden.

Landing

The carpeted landing provides access to all first-floor rooms and includes a window, radiator and a loft hatch.

Master Bedroom

A generous master bedroom, benefits from dual-aspect windows to the front and rear of the property with carpeted flooring. Built-in shelving and an airing cupboard housing the hot water tank provide excellent storage, with ample space available for a desk and wardrobes.

Bedroom 2

A well-proportioned double room, carpeted and fitted with modern double wardrobes. A uPVC

window overlooks the front of the property and a radiator complete the space.

Bathroom

A three-piece white fitted bathroom suite, finished with wood-effect vinyl flooring and tiled walls, featuring a large walk-in shower with thermostatic controls and PVC panelling, a pedestal wash basin, WC, radiator, and extractor fan.

Rear Garden

The enclosed rear garden is arranged over two tiers and designed for low maintenance, featuring astro turf, a paved pathway, and a decked patio area ideal for outdoor seating. A timber shed with power and lighting offers excellent storage or workshop potential. The garden also houses the oil boiler and is fully enclosed with high fencing and a timber gate.

Front Garden

To the front, the property benefits from a door canopy, gravelled and paved pathway, and off-road parking for two cars. Walling and picket fencing define the boundary, with an electric vehicle charging point installed. A shared side path provides access to the rear garden.
