Berwyn House

Wrexham | | LLI | 4HD

Situated in the sought-after residential area of Gwersyllt, this spacious detached four double bedroom family home has been well maintained and thoughtfully improved by the current owners, including the installation of a new central heating system. The internal accommodation is generous and versatile, comprising an entrance porch and welcoming hallway, a spacious lounge with flexibility for lounge/dining use, and a modern kitchen/dining room fitted with a range of integrated appliances. Further ground floor features include a conservatory providing additional reception space, a rear porch, a downstairs WC, and a pantry/boiler room offering practical storage. To the first floor, a larger-than-average landing leads to four well-proportioned double bedrooms, three of which benefit from built-in wardrobes, desks and drawer units. The bedrooms are served by a contemporary four-piece family bathroom, featuring a separate bath and double shower enclosure. Externally, the property offers an impressive range of outbuildings and outdoor spaces, including a separate utility area with access to a double garage, a detached brick-built workshop, a hot tub area and a garden bar/summerhouse. The gardens are arranged to provide a combination of lawned areas, courtyard space and a side patio with an aluminium pergola, creating a variety of outdoor zones for relaxation and entertaining. Early viewing is highly recommended to fully appreciate the size, versatility and lifestyle potential of this family home. 'Berwyn House' is ideally positioned on Church Street in Gwersyllt, close to a wide range of local amenities, schools and shops, with excellent transport links to Wrexham City Centre, Mold and Chester.

Outside

The property enjoys a generous and well-defined frontage, accessed via double wrought iron gates opening onto a spacious driveway providing parking for approximately four vehicles. A separate pedestrian gate leads to steps rising to the main entrance, creating a welcoming and secure approach. The front garden is attractively finished with decorative stone and block paving, complemented by established planting. Side access is available on both elevations, with gated access to the left-hand side and timber gates to the right. The right side of the property features a block-paved patio area, enhanced by a modern aluminium sheltered pergola, creating a practical and versatile outdoor space. The 1400-litre oil tank is positioned within this area. To the rear, the garden continues into a private courtyard space, providing access to the summerhouse, workshop and rear access gate. Wrought iron fencing and gates divide the courtyard from the lawned garden, allowing the spaces to function either separately or as one cohesive outdoor area. The garden also benefits from raised planted borders, timber trellis screening, and leads through to a decked seating area and dedicated hot tub room, creating a layered and well-zoned outdoor environment. Additional features include external power points, outside lighting, and an external water tap, with convenient access to the utility area from the rear, making the outside space both functional and well designed for everyday living and entertaining.

Additional Information

The owners have been in the home for 27 years and have both maintained and improved during that time. Some of the works include new boiler and central heating system 15 months ago, some re-wiring, new oil tank (1200l), new electrical fuse box, new kitchen three years ago, new bathroom five years ago along with decoration and flooring to name a few. The utility room and workshop are on an isolated fuse.
