Dyke Road Avenue

Hove, BN3 6DA

£15,000 Per month

From the moment you step into the show-stopping entrance hall, with its panda marble staircase and smoked ash detailing, the attention to detail is clear. The ground floor centres around a spectacular open-plan living, dining and kitchen space with soaring 3.5m ceilings, bronze-accented finishes, and walls of glass opening to the landscaped gardens and pool. The bespoke kitchen features hand-painted bronze cabinetry, quartz worktops, and premium Neff and AEG appliances. A private principal suite wing includes a garden-facing bedroom, twin dressing rooms, and a full spa-style bathroom. This level also provides a utility kitchen, study, cloakroom, and direct access to the gym, sauna, and pool area.

Upstairs, three oversized bedrooms, each around 4m x 4m, boast en suite bathrooms and dressing rooms. One enjoys a private terrace, while another features a freestanding bath with sweeping sea views. A communal roof terrace with glass balustrades offers a stunning outlook, ideal for morning coffee or sunset drinks.

The basement level is a true entertainment haven, with a cinema/family room fitted with a Dolby Atmos Sonos system, a custom bar with wine fridge, a laundry room, and additional storage.

The gardens have been designed for both relaxation and entertaining, with a 9m x 4m swimming pool, recessed hot tub, outdoor kitchen, and tumbled limestone paving. The triple garage offers potential for a car stacker to accommodate six vehicles, along with an EV charging point and a car turntable. The sedum green roof, Roman brick façade, and bronze anodised windows complete the property's striking exterior.

Combining dramatic architecture, state-of-the-art technology, and warm, liveable interiors, this home sets a new benchmark for luxury living in Hove.
