Description of Property

The property presents a rare and exciting opportunity to acquire a substantial detached family home of excellent proportions, set within a generous and mature plot. The property has clearly been a much-loved and cherished home over many years, having been well maintained and carefully cared for by the current owners. It now offers an exciting next chapter, providing the incoming purchaser with the opportunity to modernise, enhance and create a superb family residence suited to their own taste and lifestyle. The accommodation extends to approximately 3,162 sq ft and offers a well-balanced arrangement of formal and informal living spaces.

There is an immediate sense of space on arrival, with the entrance porch opening into a generous reception hall. The hall forms the central point of the home, with the staircase rising to the first floor and access provided to the principal ground floor rooms.

The drawing room is an impressive reception space, extending to over 31 ft in length and offering excellent proportions for both everyday family living and entertaining. A striking exposed brick fireplace with substantial timber beam detailing forms a characterful focal point, giving the room a warm and inviting feel. Large windows allow for good natural light, while an archway leads through to the adjoining family room, creating a natural flow between the spaces.

The family room sits to the rear of the property and enjoys views over the garden, with sliding doors opening into the conservatory. This bright additional sitting area provides a pleasant space from which to enjoy the outlook over the rear garden and offers further flexibility for family use. To the front of the house is a formal dining room, a well-proportioned room ideal for family occasions, entertaining and more traditional dining. The room enjoys a pleasant front aspect and sits conveniently close to the kitchen. The kitchen/snug is positioned to the rear of the property and offers excellent potential for reconfiguration or modernisation, subject to a purchaser's requirements. Currently arranged with a range of fitted units and informal seating space, it provides scope to create a more contemporary kitchen, dining and family area if desired.

A separate utility room provides practical laundry and storage space, while a guest WC and storage cupboard under the stairs completes the ground floor accommodation.

The first floor is arranged around a central landing and provides four bedrooms and two bathrooms. The primary bedroom is positioned to the rear of the property and is a generous

double room, offers excellent proportions and benefits from fitted wardrobes and its own en suite bath/shower room. There are three further bedrooms and the family bathroom which, like the rest of the property, offers an excellent opportunity for updating and personalisation. Throughout, the property offers generous room sizes, a practical layout and an abundance of potential. It is rare to find a home of this scale and plot size which offers such exciting scope for a new owner to place their own stamp upon it.

Gardens and Grounds

The property is approached via a generous in-out driveway providing off-road parking and access to the integral garage. The front garden is attractively maintained, with lawned areas, mature planting and established trees creating an appealing approach to the house. To the rear, the garden is a particularly attractive feature. Laid principally to lawn and bordered by mature trees, hedging and established planting, it offers a private and peaceful setting. A paved terrace sits immediately to the rear of the house, providing space for outdoor seating and dining. The maturity of the plot gives the property a lovely sense of privacy, while the overall size further enhances the future potential of the home.

Subject to any necessary consents, the property may also offer scope for extension, reconfiguration or landscaping, allowing the next owners to create a home and garden perfectly suited to their individual requirements.
