Description

Occupying an enviable position just a short walk from the heart of Mere Green, is this charming cottage-style home. Behind its characterful exterior lies deceptively generous and beautifully presented accommodation, thoughtfully arranged over two floors and combining traditional appeal with the flexibility required for modern family life. The principal living spaces are light and enjoy a wonderful connection with the established rear garden, while the highly convenient setting places local shops, cafés, restaurants, transport links and highly regarded schooling all within easy reach.

The property is approached via a welcoming entrance hall giving access to the principal reception rooms, kitchen and staircase rising to the first floor. To the front, the dining room provides an elegant setting for family meals and more formal occasions, whilst the principal lounge occupies a particularly enviable position to the rear of the property. Generously proportioned and exceptionally inviting, this impressive reception room is centred around an ornate white-painted fireplace with a classical surround and traditional black cast-iron-style fire. Decorative corning and an intricately patterned ceiling further enhance the room's period character.

Of particular note are the full-width bi-folding doors, which open directly from the lounge onto the rear terrace and garden allowing the room to be filled with natural light.

The modern fitted kitchen is conveniently positioned to the side of the property, whilst beyond lies the highly versatile breakfast and day room. This is a superb addition to the living accommodation and one which lends itself particularly well to contemporary family life.

A separate utility room is accessed from the side of the property and a guest cloakroom is conveniently positioned beyond, completing the ground floor

accommodation.

The first floor is approached via the staircase from the hall, which rises to the landing giving access to the bedroom accommodation and family bathroom. The principal bedroom enjoys a delightful outlook over the rear garden. Bedroom two overlooks the front of the property, enjoying an attractive outlook over the property's frontage, whilst bedroom three provides a more intimate and cosy room, ideally suited to a child's bedroom, guest accommodation or private study.

Completing the first floor is the family bathroom, where dramatic black and white marble tiling extends from floor to ceiling. Outside, the rear garden is a particular delight and forms an important extension of the living accommodation. Thoughtfully landscaped and beautifully established, it combines a generous terrace, well-maintained lawn and an abundance of mature planting, flowering borders, established shrubs and trees. The terrace immediately adjoining the house provides an ideal setting for alfresco dining and summer entertaining, whilst the lawn beyond creates a wonderful sense of openness and depth. Mature hedging and fencing provide an excellent degree of privacy, while a succession of planted borders and seating areas introduces interest and creates several appealing vantage points from which to enjoy the surroundings.
