Description of Property

The Chestnuts is an exceptional detached family residence extending to almost 5,000 sq.ft., beautifully combining traditional craftsmanship with contemporary architecture to create a home of remarkable style, comfort and versatility.

Originally remodelled and comprehensively refurbished to an exacting standard, the property has been thoughtfully reimagined to suit modern family living, whilst retaining warmth, character and individuality throughout. Every aspect has been carefully considered, from the striking architectural staircase and bespoke glazing to the quality of the joinery, lighting and interior finishes. Approached through timber gates, the property immediately conveys a sense of privacy and exclusivity. A generous driveway provides extensive parking and leads to four garages, whilst mature trees and established planting create an attractive setting.

The welcoming reception hall provides an impressive introduction to the house. A bespoke floating oak staircase with glass balustrades forms a stunning architectural centrepiece, complemented by contemporary Crittall-style glazed doors which introduce the principal living accommodation. At the heart of the home lies a magnificent open-plan kitchen, dining and family room designed for everyday living as well as entertaining on a grand scale. The beautifully appointed kitchen centres around a substantial island with quartz worktops and incorporates an excellent range of bespoke cabinetry together with premium integrated appliances including Miele ovens, induction hob, dishwasher and an AGA R7 cooker. Oak flooring flows seamlessly throughout, whilst extensive glazing creates an abundance of natural light and provides an excellent connection with the gardens beyond.

Adjoining the kitchen is an impressive family room and lounge area with contemporary wood burning stove, creating a relaxed and sociable environment throughout the seasons. A separate formal drawing room provides a contrasting atmosphere, centred around an impressive brick inglenook fireplace with exposed timber mantle and inset log burner. Wide bi-folding doors in the family and lounge room and drawing room, open directly onto the terrace, allowing both rooms to extend effortlessly into the garden during the summer months. Further ground floor accommodation includes a practical boot room and utility room, guest cloakroom and a number of flexible reception areas capable of accommodating home working, children's play space or additional informal sitting rooms depending upon individual requirements.

The first floor provides five generous double bedrooms, one of which is currently used as an office, each thoughtfully arranged to maximise privacy and outlook. The principal suite enjoys attractive views across the gardens together with a Juliet balcony, extensive fitted wardrobes and a luxurious ensuite shower room. A second guest suite also benefits from its own dressing area and ensuite facilities, creating an ideal arrangement for extended family or visiting guests.
