Description of Property

Occupying an enviable position on the highly regarded Monmouth Drive, this exceptional detached residence offers beautifully appointed and extensively enhanced accommodation in one of Sutton Coldfield's most sought-after residential locations. The property has been thoughtfully extended and improved to provide a wonderful family home of impressive proportions, combining contemporary styling with characterful touches throughout.

The accommodation is approached through an enclosed porch which opens into a particularly welcoming reception hall. Timber detailing, oak flooring and a period-style radiator immediately set the tone for the quality found throughout the property.

The principal lounge enjoys an attractive bay window and views towards Sutton Park, with a wood-burning stove providing an inviting focal point to the room.

Without doubt, one of the outstanding features of the home is the magnificent extended living kitchen. Extending to approximately 30 feet and designed around modern family life, this superb open-plan space incorporates kitchen, dining and family areas, with bi-folding doors creating a wonderful connection with the rear garden.

The contemporary kitchen is comprehensively fitted with a range of high-gloss cabinetry complemented by granite work surfaces. A substantial central island provides further storage and a breakfast bar, while integrated appliances include an induction hob, twin electric ovens, full-height fridge and freezer, dishwasher and wine cooler. A separate utility room provides valuable additional practicality.

To the first floor are four bedrooms of particularly generous proportions. The principal bedroom has been extended to create an impressive suite with fitted wardrobes and its own contemporary en-suite shower room.

Bedroom two is equally impressive and benefits from a walk-in wardrobe together with a further en-suite shower room. Bedroom three is a substantial double bedroom with fitted wardrobes, while bedroom four provides further generous accommodation.

Completing the first floor is a beautifully appointed family bathroom,

featuring a freestanding double-ended bath together with a large separate shower enclosure and contemporary sanitaryware.

A staircase continues to the second floor where there is a spacious fifth bedroom with multiple Velux roof windows, together with a substantial adjoining storage room.

The accommodation within the main house is complemented beautifully by the outside space. To the front, a generous driveway provides off-road parking for several vehicles, bordered by established laurel planting and providing access to the garage.

The rear garden is a particular feature of the property, being both generous in depth and beautifully maintained. A substantial paved terrace immediately adjoining the house provides an excellent setting for outdoor dining and entertaining, with steps rising to the main lawn.

Positioned at the far end of the garden is a superb and unusually substantial garden room. Extending across much of the width of the garden, this highly versatile additional space has bi-folding doors, electric heating and its own shower room. It offers enormous flexibility and would lend itself perfectly to use as a home office, gymnasium, games room, entertaining space or leisure suite.

The combination of its prestigious location, Sutton Park outlook, exceptional internal proportions, extensive improvements and superb garden makes this a very special family home.
