Description of Property

A beautifully presented and individually styled contemporary home, offering approximately 1,076 sq ft / 100 sq m of accommodation arranged over two floors.

The property has been thoughtfully designed to create a stylish and highly functional home, with a particular emphasis on modern open-plan living, high-quality finishes and an exceptional connection between the principal living accommodation and the garden.

From the outset, the property makes an impressive statement, with its attractive red-brick elevations, contrasting contemporary detailing and generous block-paved forecourt providing excellent off-road parking.

Internally, the accommodation is exceptionally well considered, with the ground floor centred around a substantial open-plan kitchen and dining space, complemented by a separate lounge, utility room, guest WC and useful store. To the first floor are two well-proportioned bedrooms, a beautifully appointed bathroom, landing and a versatile study/bedroom 3.

The heart of the home is undoubtedly the impressive kitchen and dining area. Designed around a generous central island, the kitchen combines contemporary cabinetry with sophisticated stone-effect finishes and integrated appliances. The open-plan arrangement creates an excellent environment for both everyday family life and entertaining, while large glazed doors provide a strong visual connection with the rear garden.

The interiors throughout are characterised by a restrained contemporary palette, combining crisp neutral tones with darker cabinetry, statement stone finishes, carefully considered lighting and bespoke detailing. The result is a home which feels modern and luxurious whilst retaining a comfortable and welcoming character.

The first-floor accommodation continues the same design approach. The principal bedroom benefits from a striking upholstered feature wall and bespoke-style bed arrangement, creating a sophisticated boutique-hotel feel. A further bedroom provides excellent flexibility for family, guests or home working, whilst the separate study offers an increasingly valuable dedicated workspace or further bedroom.

The bathroom has been designed as a particularly stylish space, incorporating contemporary sanitaryware, a floating vanity, illuminated mirror and statement feature tiling, with warm metallic detailing providing an elegant contrast to the lighter marble-effect finishes.

Externally, the property benefits from a substantial block-paved frontage, providing generous off-road parking and access to the house. To the rear is an attractive and notably spacious garden, featuring a broad paved terrace immediately adjoining the property before extending onto a generous lawned area.

The rear garden is enclosed by fencing and mature evergreen planting, creating a pleasant degree of privacy. A substantial brick-built outbuilding provides useful additional storage and practical versatility, while the paved terrace offers an excellent setting for outdoor dining, entertaining or simply enjoying the garden.

Overall, Hardwick Road represents a particularly appealing opportunity to reside in a contemporary and individually styled home, combining excellent presentation, versatile accommodation and generous external space in a well-established Sutton Coldfield setting.
