## Description of property

As you step through the stylish front entrance, you're welcomed into a spacious hallway with oak flooring and paneled walls, which leads to the guest WC, lounge, kitchen, and dining room. A staircase ascends to the first floor, and there's a convenient storage cupboard. The stunning open-plan kitchen, dining, and living area is beautifully defined, with oak flooring throughout and a tiled section in the kitchen. A striking log burner serves as a central feature, adding warmth and character. The kitchen is equipped with shaker-style cabinetry, a central island, and quartz countertops. It also includes integrated appliances such as twin ovens, an induction hob with an extractor, a dishwasher, and a drinks fridge. There is space for an American-style fridge freezer, and the room is bathed in natural light thanks to windows at the front and rear, along with French doors that open to the garden and four skylights above. The room flows effortlessly into the utility room and dining area.

The utility room offers practical storage with units, plus space and plumbing for both a washing machine and tumble dryer. A side door provides access to both the front and rear gardens.

Moving into the formal dining room, the original Canadian oak flooring and wood burner adds charm, and large rear-facing windows provide lovely views of the garden. French doors lead into the conservatory, a room perfect for entertaining.

The spacious lounge is equally welcoming, featuring oak flooring, an inglenook fireplace with a log burner, and a large front-facing window. French doors at the rear open to the sunroom, conservatory, and home office. This flexible space is perfect for a variety of uses, with French doors leading to the rear garden and an additional door that connects to the garage.

On the first floor, the high-quality finishes continue, with panelled walls, a large front-facing window, and access to the bedrooms and family bathroom. The principal bedroom overlooks the sunny rear garden and features an en-suite with a corner bath, walk-in shower, low-level WC, and washbasin. The guest bedroom at the other end of the landing also enjoys rear garden views and has its own en-suite with a shower cubicle, WC, and washbasin. Two additional spacious double bedrooms look out over the rear garden, while the fifth bedroom offers a front-facing view. The family bathroom is well-appointed, with both a bathtub and shower cubicle, as well as a low-level WC and washbasin.

## Gardens & Grounds

The front of the property features a generous 'in & out' driveway with a lawn and planted borders, providing ample parking space for several vehicles. The driveway leads to the garage, front entrance, and gated access on both sides. The southerly facing rear garden is a sun lover's haven, with a large patio ideal for outdoor entertaining and alfresco dining, while the expansive lawn provides ample space for games and relaxation.
