Description of Property

Upon entering the property, you step into the entrance hallway, which features a convenient double storage cupboard for easy organisation. The warm-coloured walls create an inviting ambiance and beautifully contrast with the white oak doors and carpet flooring. The hallway provides access to the principal bedroom, family bathroom, and the drawing room. For added convenience, there is an intercom telephone to facilitate the process of welcoming visitors to the property.

The family bathroom is spacious and adorned with lovely grey marble effect tiling around the fixtures, complemented by laminate flooring. Its white fixtures include a bath, basin, W.C., and a walk-in shower cubicle. The bathroom benefits from a lot of lighting, creating a bright and refreshing space.

To the right of the hallway, you'll find the principal bedroom, a generously sized room with fitted wardrobes for efficient storage. The warm walls and carpet flooring from the hallway continue into the bedroom, creating a harmonious flow. The principal bedroom also features an ensuite bathroom, mirroring the style and colours of the family bathroom, with grey tiling and a walk-in shower cubicle, WC, and basin.

Moving on to the drawing room, you'll discover a spacious area that is perfect for family gatherings. It overlooks the grounds from the first floor and features the same warm-coloured walls and carpeting, providing a cosy ambiance. The room has ample natural light through the windows, creating a bright and inviting atmosphere. As you exit the drawing room towards the other

bedrooms and the kitchen, you'll find a further hallway that serves as a central point for accessing the additional bedrooms and the kitchen/breakfast room.

Bedrooms two and three are also generously sized and enjoy an abundance of natural light. They continue the theme of warm-coloured walls and carpet flooring, creating a cosy and comfortable environment. Bedroom two benefits from an ensuite shower room that matches the style and colours of the other bathrooms, featuring a W.C., basin, and walk-in shower cubicle.

The kitchen/breakfast room offers plenty of space and showcases striking dark marble-look flooring, which beautifully contrasts with the cream floor and wall cabinets and black granite style worktop. The kitchen provides ample storage, and is equipped with a fitted oven, induction hob, and overhead extractor fan. An integrated fridge freezer is already fitted for added convenience. Additionally, there is space available for a dining table, perfect for accommodating meals together.

Access to the property is provided through a well-maintained tarmac driveway, which leads to a secure gated entry to the rear of the development, behind which are the two allocated spaces.
