Description of Property

Ground Floor

A welcoming entrance hallway is centred around a bespoke single-spine oak staircase with glass balustrading and LED detail, setting a confident and architectural tone. Large-format porcelain tiling and underfloor heating provide seamless warmth underfoot.

To the rear, the expansive open-plan kitchen, dining and sitting area stretches over 10 metres, framed by full-width bifold doors that open onto the garden. The kitchen is a showpiece — finished with Infinity Ocean Blue polished porcelain worktops, contrasting Dekton prep areas, and luxury appliances including a Neff Schott Ceran gas hob, AEG induction hob, Samsung Series 6 dual cook steam oven, SmartThings warming drawers, and an AEG Comfortlift dishwasher. A matching spice kitchen provides an additional prep space, discreetly tucked away for entertaining ease.

A Franke matt black sink, Quooker tap, pop-up Evoline sockets, and LED mood lighting enhance the experience, while a custom coffee station and full-height fridge/freezer add function and flair.

The living area centres around a dual-sided Evonic Halo fireplace clad in contemporary wood and natural stone. A separate formal lounge to the front offers further versatility, ideal for family relaxation or media use. Also on this level is a large utility room, and cloakroom WC, perfect for guests or multi-generational living.

The upper landing is framed by architectural glass and oak balustrading, giving an elevated view back over the hallway. There are four further double bedrooms, including a stunning principal suite with walk-in wardrobe, vaulted Canadian Cedar ceiling and luxury en-suite shower room with a Duravit Sensowash Starck F Lite Japanese toilet.

A further en-suite bedroom with fitted wardrobes and a beautifully finished family bathroom complete the first floor. Bathrooms are fitted with full-height tiles, bespoke memo-glass shower doors, Flova brassware, Duravit sanitaryware and PIR lighting for a serene, spa-like feel.
