Description of Property

25 Thomas De Beauchamp Lane, Sutton Coldfield

A beautifully presented four-bedroom detached family home, extending to approximately 1,516 sq ft, enjoying a thoughtfully designed arrangement of accommodation, two en-suite facilities, an integral garage, generous driveway and an attractive enclosed rear garden.

Occupying a pleasant position within this established residential development, the property presents an appealing and well-maintained façade, combining crisp white render with contrasting red-brick detailing beneath a pitched tiled roof. A smart grey entrance door sits beneath a covered porch, whilst the established frontage, predominantly laid to lawn and complemented by mature evergreen shrubs and clipped hedging, creates an attractive first impression. A generous tarmac driveway provides useful off-road parking and leads to the integral single garage, whilst the well-defined garden incorporates timber fencing, trellis-style screening and a decorative planter.

The welcoming entrance hall leads into a particularly well-arranged interior, where generous proportions, excellent natural light and a neutral palette create an inviting sense of space. The principal reception room provides a comfortable and relaxed setting, with broad windows overlooking the garden and drawing in an abundance of natural light. Well-proportioned and quietly elegant, the room offers a more traditional contrast to the contemporary character found within the main living areas, creating an ideal environment in which to relax and entertain.

The kitchen/breakfast room forms the natural heart of the home, offering impressive proportions and an excellent environment for both everyday family life and entertaining. Fitted with an attractive range of cabinetry, granite work surfaces and integrated appliances, the kitchen is complemented by generous areas for dining and informal relaxation.

A delightful conservatory extends from the rear of the kitchen, providing a further reception space with a pleasant outlook across the garden and a particularly strong connection between the house and outside. The arrangement makes excellent use of the rear of the property, creating an adaptable area that can be enjoyed throughout the seasons.

The ground floor is further complemented by a useful utility room, separate pantry and guest cloakroom, whilst the integral garage provides valuable storage and practical amenity. Together, these additional facilities contribute to the highly functional nature of the accommodation without compromising the spacious feel of the principal living areas.

Ascending to the first floor, the landing provides access to four well-proportioned bedrooms and the family bathroom. The principal bedroom is particularly impressive in scale and benefits from its own en-suite shower room, whilst Bedrooms Two also enjoys the considerable advantage of en-suite facilities. Bedroom Four provides a further bedroom, making the accommodation exceptionally versatile for family living, guests or home working.

The family bathroom completes the first-floor accommodation.

Outside, the rear garden provides a lovely extension of the home's living accommodation. Immediately adjoining the conservatory is a generous paved terrace, creating an excellent setting for al fresco dining, entertaining or simply enjoying the garden during the warmer months. Beyond, a neatly maintained lawn is framed by established borders, mature shrubs and evergreen planting, providing a verdant and pleasantly private setting. The garden has a particularly homely character, with colourful seasonal planting and a selection of mature greenery adding interest throughout. A timber garden shed provides useful storage, whilst the established boundaries and thoughtful planting create a sheltered environment for outdoor enjoyment. The direct relationship between the conservatory, paved terrace and lawn makes this a wonderfully practical garden for both relaxed family use and entertaining.
