Substantial Former Care Facility with Supported Living & Specialist Residential Potential

A rare opportunity to acquire a substantial former residential care home with established planning history and significant potential for supported living, specialist residential use, rehabilitation, mental health provision or continued care operation, subject to any necessary consents.

Mariantonia House is a prominent Victorian building extending to approximately 6,400 sq ft, formerly operating as a long-established CQC-registered residential care home. The property is now vacant and offers immediate repositioning potential within the growing supported living and specialist accommodation sector.

The property benefits from a lawful and well-established C2 planning history, together with a series of historic planning approvals supporting institutional and care-led use, making it particularly attractive to supported living operators, housing associations, care providers and investors.

These particulars are intended only as a guide and must not be relied upon as statements of fact. Your attention is drawn to the Important Notice on the last page of the text.

ACCOMMODATION

Accommodation

The accommodation is arranged over two principal floors and briefly comprises:

Ground Floor
Reception hall
Multiple communal lounges
Dining facilities
Commercial kitchen
Offices and staff areas
Resident bedrooms and assisted bathroom facilities
Ancillary storage and plant rooms
Enclosed courtyard garden
First Floor
Additional resident bedrooms
Assisted bathrooms
Laundry and storage areas

In total the property provides approximately 14 bedrooms together with extensive communal and operational space.

PLANNING AND POTENTIAL

The property has a long-established history as a residential care facility and offers strong potential for:

Supported living
Learning disability accommodation
Mental health provision
Rehabilitation and step-down care
Specialist residential accommodation
Continued institutional use

The layout, circulation and configuration of the building make it highly suited to care-led occupation with reduced conversion risk when compared with alternative buildings entering the market.

LOCATION

The properties occupy a prominent and well-established position in Kidderminster, close to:

- Town centre
- Shops, GP surgeries and pharmacies
- Transport links
- Community facilities

This urban setting is ideal for supported living, allowing residents to integrate into the community while remaining close to services.

SUMMARY

17 Comberton Road represents a rare opportunity to acquire a vacant former care facility with established C2 planning use, strong historic trading performance and clear potential for a range of care-led and specialist residential uses.

The property offers multiple future use strategies, including:

- * Re-opening as a residential care facility
- * Repositioning for supported living
- * Learning disability or autism provision
- * Mental health or rehabilitation accommodation
- * Step-down care
- * Specialist residential housing

The building's existing layout, bedroom provision, communal areas, commercial kitchen and operational configuration provide a strong platform for recommissioning, while its planning history and previous profitable use help to de-risk the opportunity for operators and investors.

This diversity of potential use makes the property attractive to care providers, supported-living operators, housing associations, social impact investors and private investors seeking exposure to resilient, needs-based accommodation.
