Property details

FREEHOLD -Set within the peaceful, tree-lined grounds of Millbrook Park, this spacious home offers a rare chance to enjoy multi-generational living or create a valuable rental income. Accessed through electric gates and a private driveway, the property includes a double garage and parking for four vehicles, making it both practical and secure. With sympathetic modernisation, it has the potential to become a beautifully updated family home, further enhanced by its fully self-contained one-bedroom unit.

The main house features bright, generous rooms with large windows that fill the space with natural light. The living room is a standout area, complete with near floor-to-ceiling bay windows, high ceilings, a character fireplace, and bifold doors opening into the kitchen/diner. The kitchen provides ample worktop space, room for dining, and useful built-in storage.

The first floor offers two double bedrooms, both with fitted wardrobes and white shutters, one benefitting from a charming traditional fireplace. The family bathroom is full of character, featuring stained glass windows, a freestanding bath, and a walk-in shower.

On the second floor are two further double bedrooms, each with exposed beams and classic features. The primary bedroom also includes fitted wardrobes, eaves storage, and an attractive exposed white brick wall.

The lower level houses a separate one-bedroom unit with its own entrance and internal access. This unit includes a kitchen/living room and a double bedroom with exposed brickwork and a feature fireplace, making it ideal for guests, relatives, or rental use.

Residents enjoy 24/7 access to Millbrook Park Gardens and lovely sea views over St Aubin's Bay. Located within the Les Quennevais school catchment and close to excellent bus routes and the cycle track, the home sits in one of Jersey's most desirable areas.
