FREEHOLD - This unique luxury townhouse is in walk-in condition. It is offered for sale together or individually, currently in single ownership. Flat 2 boasts a well-established, lucrative Airbnb business, with a rental return of £2,500 pcm (3 bed).

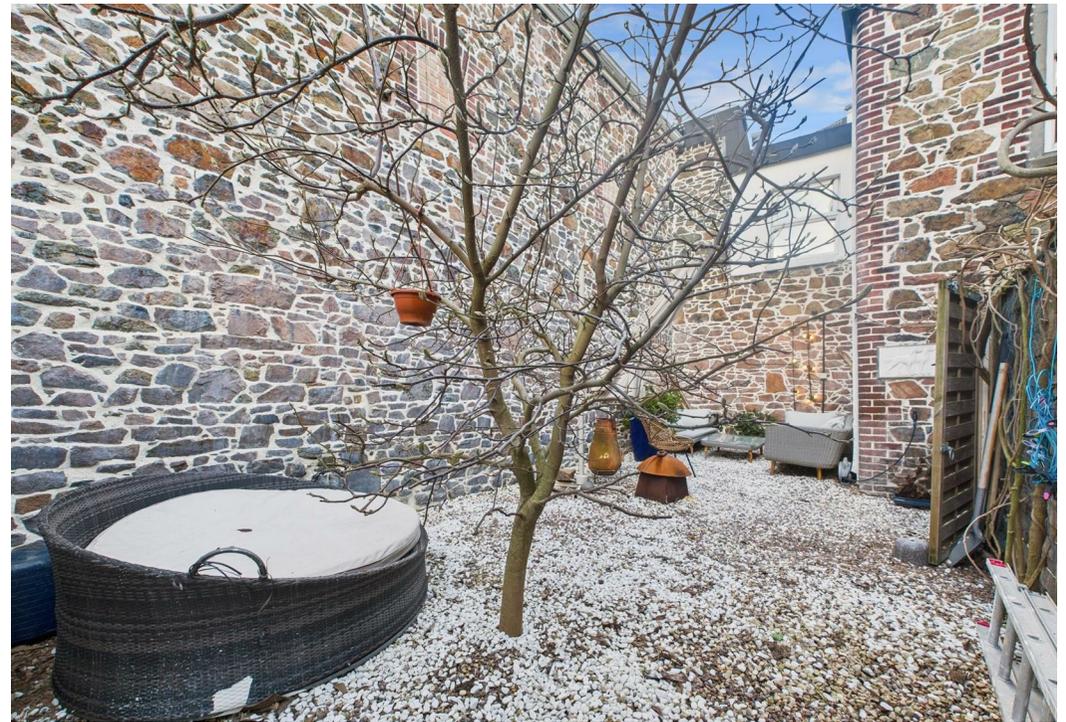

As a family home, Flat 2 is full of ancient character with all mod cons. Redeveloped in 2017 with constant enhancement since, an old Z-frame oak door leads into an original granite hallway with a sweeping staircase. “Skandy style” throughout, with a fitted modern kitchen, living room, 3 double bedrooms and a new bathroom replete with a large wet room, plus large loft and storage.

Externally, the property enjoys a lot of seasonal sunshine in a west-facing Japanese garden with established planting, including a mature Magnolia and Wisteria which flower in abundance from spring. With newly lime-repointed granite walls around the garden, it is a quiet and peaceful oasis just 5 minutes from King Street. A must-see experience.

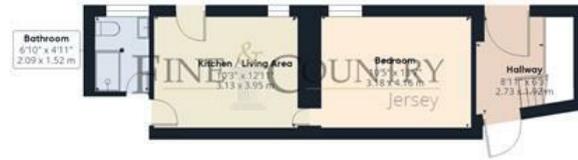

Flat 2 also includes a large single garage. The building, formerly a farrier’s workshop, has heaps of unique character with every modern comfort, including a new roof and modern drains. A rare gem of peace and quiet.
