REGISTERED. This well-presented one-bedroom ground floor apartment offers comfortable and convenient living. The property features a bright and spacious lounge, offering plenty of room for both relaxing and dining. The separate kitchen is compact yet practical, complete with integrated appliances. The double bedroom benefits from fitted wardrobes, providing excellent built-in storage while maintaining a generous sense of space. A shower room serves the property, finished in a clean and contemporary style. Externally, the apartment enjoys its own private outside area, perfect for morning coffee or low-maintenance outdoor living. The property also benefits from allocated parking, adding further convenience. No pets allowed. Available start of March. Heating Included. REN060
