What the owner says...

We have loved living in this house for the last twenty years, it has been such a cosy yet spacious family home. We also love the fact we can be on the beach in a couple of minutes for barbecuing or swimming. The house is close enough to walk to many of the neighbourhood cafes, bars and shops yet is a very peaceful and quiet location. We also enjoy sitting in the garden which is a great sun trap; the perfect spot for having an early evening sun-drenched drink in the summer and on a still evening listening to the sound of the waves.

We will be extremely sad to leave but with the children now adults it is time for a change for us.
