About the property

A substantial and individual “Mediterranean inspired” detached family home of considerable charm and character providing expansive, beautifully appointed and generously proportioned living space, sitting in a highly regarded “South Hove Park” setting, with lovely open views across Hove Recreation Ground to the front.

This fine detached residence is ideally located within close proximity of both Hove and Preston Park Stations and just a quarter of a mile of the City centre. It is also within easy walking distance of the seafront and the delightful Hove Park. Nearby, there are a fine selection of both private and public schools, including Lancing Prep, Cardinal Newman, Girls Trust School and Cottesmore Primary School, all within walking distance.

The property is offered for sale in excellent decorative condition throughout and provides lovely light and generously proportioned living accommodation arranged over two floors making this a comfortable family home. The ground floor accommodation is particularly spacious and offers great flexibility for modern living with two reception rooms and a large ground floor bedroom, creating options for “work from home” practicalities. In addition, the stunning kitchen/breakfast room with its underfloor heating, is beautifully appointed and opens onto the lovely, private “Mediterranean” style gardens as does the main reception room. Further benefits include a spacious single garage, and private off road parking to the front for up to four cars.

Successfully combining original, beautiful polished herringbone rosewood floors with the comforts and expectations of modern living, this is a home worthy of early internal inspection, being by strict appointment with the owners Sole Agents.

What the owner says

What the owner says...

We as a family have lived happily here for over eighteen years and have brought up our three children during that time.

We have absolutely loved living in this great location close to Hove Rec, Hove Park and the Seafront which was perfect for the children and our beautiful dog.

It feels like living in the country, yet so close to the seafront which is within walking distance.

This really has been the most magical and happy home.
