Hove

We know just the place...

A simply stunning and rarely available four-bedroom modern townhouse boasting circa 1500 square feet and situated in the very popular Poets Corner area of Hove. The home has been finished to a wonderful standard, and within close proximity of Portland Road, Hove Station and local schools, including the Ofsted rated "Outstanding" West Hove Infant and Junior school.

This spacious family home is very much in keeping with modern expectations. The property is approached through the front paved garden, where there is a built-in bike lock. The large open-plan reception is positioned on the ground floor; the kitchen has been well integrated with plenty of units and counter space affording ample space to cook, dine and entertain with large sliding doors that lead out onto a lovely garden. There is also a conveniently situated cloakroom. The reception space and cloakroom has underfloor heating.

The first floor boasts three double bedrooms all of which have good proportions. There is also a lovely family bathroom. The house also has secure off-road parking.

The piece de resistance is the phenomenal master bedroom on the top floor, with a walk-in-wardrobe, ensuite bathroom and balcony, you'd be hard pushed to find a better master bedroom in all of Hove!

Aldrington Station is a short walk and provides regular access to both Brighton and London. Stoneham Park is just around the corner, and the seafront is within a short walk. The house is close to many of the local amenities, several coffee shops and supermarkets, all within walking distance. A must-see property!
