

Holland Road

Hove

We know just the place...

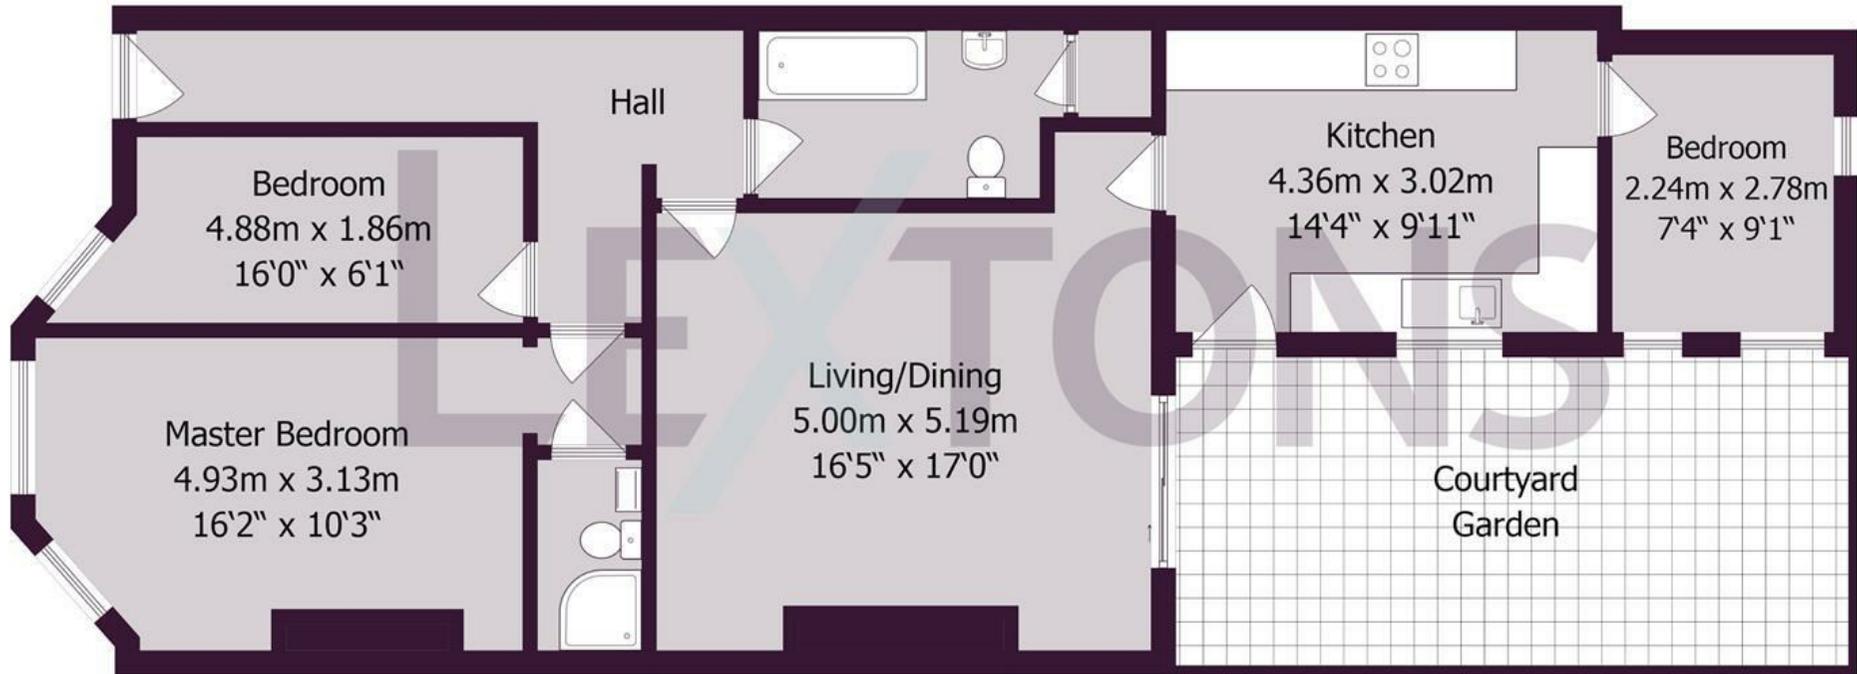

A wonderful opportunity to purchase this three-bedroom apartment, located moments away from Hove seafront and the abundance of amenities available on Church Road and Western Road, Hove.

As you enter, the hallway provides access to the majority of rooms. The living room is to the rear of the building, with fitted shelving and sliding doors leading to the unusually large outside space with rear gated access. Next to the reception is the separate kitchen, which has a good selection of fitted storage units and integrated appliances, as well as additional access to the outside space; ideal for entertaining in the summer months for flow around the apartment. Also to the back and overlooking the outside space is the third bedroom. To the front of the building is the master bedroom, which has fitted storage and a cleverly designed area to install a projector screen, meaning there is no need to have a television on the wall. Both the master bedroom and the second bedroom are a good size, with the master benefiting from an en-suite bathroom.

The section of Holland Road, in which this apartment is positioned, is between Western Road and Kingsway. The property is located moments' from Hove Seafront and benefits from excellent access to the range of amenities available on Western Road. Brighton town centre is within walking distance. All in all, certainly an apartment not to be missed.
