We know just the place...

Stylish and on trend, the accommodation comprises an entrance hallway, an excellent sized south facing open plan living area with over 9'8 high ceilings, stripped wood flooring, fabulous picture windows, bespoke shelving and an ornate open fireplace. The rear section of the room houses a well fitted kitchen separated from the main living space with an attractive oval shaped breakfast bar. From here, doors lead out to a wonderfully and newly landscaped rear garden. A veritable oasis of calm and tranquility and a perfect spot for a summer bbq. There is a good sized double bedroom with two fitted wardrobe, cloakroom and the bathroom is fitted with a contemporary white suite with a window. There is also a utility area with space and plumbing for automatic washing machine. Worthy of mention is the newly installed combination boiler with warranty.

This really is a super home. Designed with attention to detail and an eye for style and design. In short, not one to be missed! Viewing is strongly recommended.

Cowper Street is moments from popular local shops, cafes, pubs and restaurants, as well as being close to Stoneham Park. Both Aldrington and Hove railway stations are within walking distance, making it popular for commuters and families alike. The seafront is also very close by.

What the owner says...

What the owner says...

We have lived here for 4 years and love that we are only 10 minutes walk to the sea, Hove Park and Hove Station. Our favourite pub is around the corner along with lovely cafes and boutique shops. The living space is cosy in winter with an open fire place, yet spacious with high ceilings. The large south facing bay window floods the living space with light and quickly provides warmth in the spring/autumn months. During the summer the courtyard garden becomes a sheltered sun-trap benefiting from the afternoon sun, and the front bay windows open fully to let in the fresh breeze.
