

Furze Hill

Hove

We know just the place...

Set within a picturesque Art Deco building, this three-bedroom apartment is located in Central Hove. The property has a range of period features, but what is most striking are the critical windows that pour light into the flat. Furze Croft is excellently positioned within Hove, a three-minute walk leads you to Brunswick Square and the fantastic array of amenities situated there.

On entering the property from the characterful communal areas, a wide hallway allows access to all rooms. Towards the front of the property is an excellently sized reception/dining room, which is beautifully lit by three large windows. Adjacent is the kitchen, the room is fitted with an integrated fridge and is a good size. The apartment has three good size double bedrooms, each including built-in storage space. There is also a family bathroom, equipped with both shower and bath facilities. A second W/C is conveniently positioned by two of the bedrooms.

Furze Croft is wonderfully placed, the apartment is tucked away from the buzz of Hove City Centre, but remains close enough to walk to an amazing selection of amenities. Hove Lawns can be reached on foot within five minutes and Brighton Mainline Station is only a fifteen-minute walk, perfect for anyone commuting to London.
