

Brunswick Place

Hove

We know just the place...

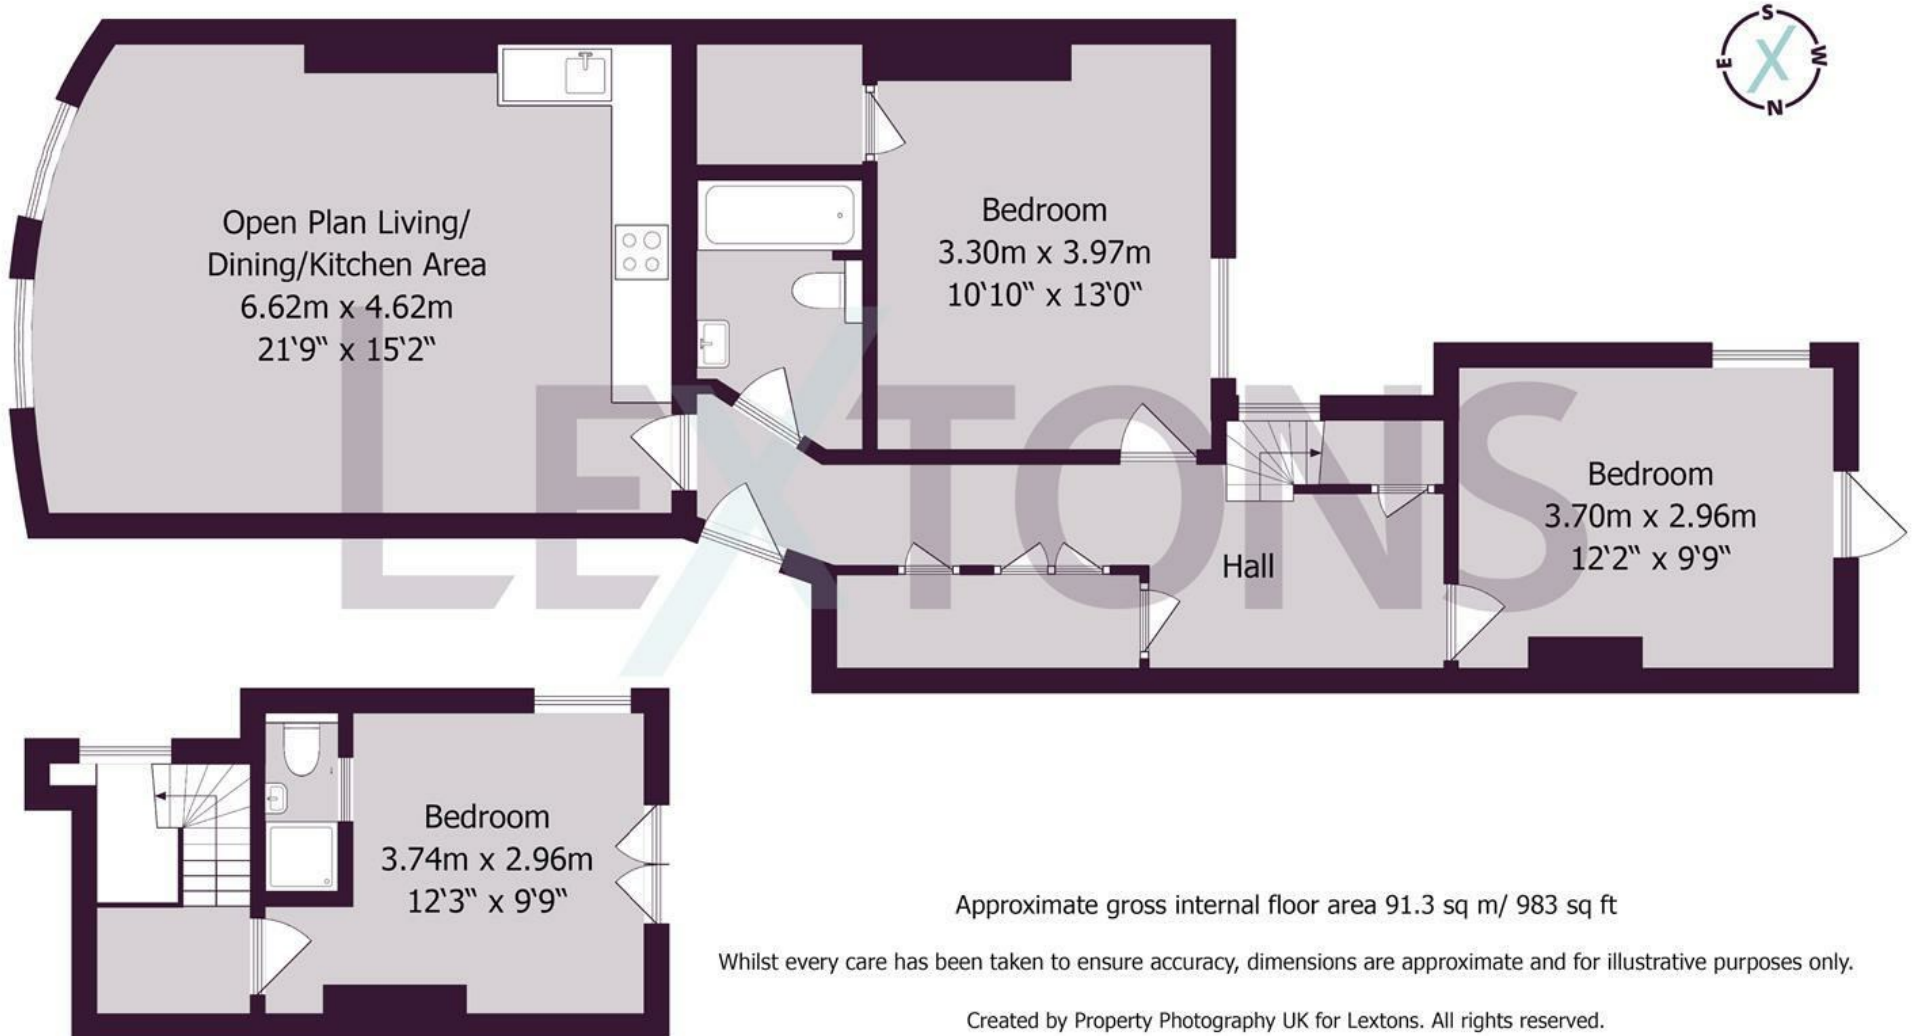

This lovely ground floor, three bedroomed apartment is perfectly situated in central Hove. The property boasts high ceilings, modern décor and large windows that illuminate the space. Brunswick Place is neatly positioned between Western Road and Lansdowne Road, tucked away from the hustle and bustle of the city centre but within walking distance of the many amenities, Hove has available.

As you enter the property from the communal areas, a hallway provides access to all rooms. At the front of the building is the large, grand reception; this includes an open plan kitchen area complete with a selection of integrated appliances. This space is ideal for living and dining, which is perfect for those that like to entertain or have a family. Two bedrooms are on the same floor as the reception, both are of a good size and face the back of the building. Access to the private garden is available from the bedroom furthest to the rear. The family bathroom is between the reception room and one of the bedrooms. Stairs lead up to the master bedroom, which has an en-suite shower room and a Juliette balcony.

Brunswick Place is located between Lansdowne Road and Western Road, where you will find most of Brighton and Hove's most popular bars, restaurants and shops. Western Road leads to Churchill Square shopping centre, which is certainly a walkable distance from this apartment, as is the seafront itself.
