About the property

Set within the highly sought-after Hove Lagoon neighbourhood, this beautifully presented three double bedroom Victorian-era semi-detached house offering sea views to the front and a private rear garden with direct access to Wish Park — a truly rare and desirable feature. Moments from the beach and a short walk to local amenities, this South-facing home combines elegant period charm with contemporary comfort.

Step into a welcoming entrance hall leading to two generously sized reception rooms, the front featuring a large bay window that floods the space with natural light. To the rear, a spacious and stylish kitchen offers a seamless blend of modern living and period detail, with an original fireplace as a striking focal point. Large bi-fold doors open onto a beautifully landscaped and peaceful rear garden, perfect for entertaining or relaxing.

Upstairs, the first floor boasts a stunningly large family bathroom with a standalone bath, walk-in shower, and a bay window that enhances the sense of space and light. Two spacious double bedrooms occupy this level, including a superb principal bedroom to the front with built-in storage and sea views.

On the second floor, a glorious loft conversion creates a light-filled double bedroom with large Velux windows, sea views, and a private en suite shower room.

The rear garden is tranquil and enclosed by mature trees, with a gate opening directly into the open green space of Wish Park — ideal for families, dog walkers, or simply enjoying the outdoors.

Marine Avenue is a quiet residential street, enviably located between the seafront and Wish Park. Well-rated schools, Hove Lagoon's leisure facilities (tennis courts, skate park, children's playground, cafes, and even a beachfront sauna), and excellent transport links via nearby Portslade station make this a perfect home for families and co
