Description

Back on the market due to no fault of it's own, this is a 3 bedroom link detached property positioned at the end of a quiet cul de sac within walking distance of shops, schools and Southwell town centre.

Built in early 2000's, this brilliantly situated home has been beautifully maintained by the current owners with a new contemporary ensuite having been recently fitted in the master bedroom.

Downstairs this home has a really lovely flow to it with doors connecting all of the downstairs rooms. The tiled floor of the hall flows through to the kitchen, seamlessly connecting these spaces and creating a spacious feel on entering the property. The sage green kitchen cleverly reflects the greens of the garden, with lovely views out to the rear. There is a large sitting and dining room with a beautiful bay window to the front and double doors which open out onto the rear patio, perfect for a spot of al fresco dining.

Upstairs is surprisingly spacious, with 3 double bedrooms and ensuite and a good size family bathroom.

Outside there is a lovely rear garden with a paved patio and a lawn with vegetable patch, small pond and lots of established plants and bushes. You would anticipate with such a central location that the outside space at this home may be overlooked however the garden feels very private. It is fully enclosed with a path leading down the side of the house with a gate to the front of the property. There is also a detached single garage and private parking which is accessed via a driveway to the side of the house or through the garden.

The house is situated in a desirable location within walking distance of all that Southwell has to offer. Southwell is a thriving market town with a Minster and a great collection of independent shops, cafes and restaurants. There are a number of highly regarded infant and junior schools as well as the much sought after Minster secondary school. There is access to many different sports and recreational facilities nearby.

Frontage

To the front of the property there is a lawned area and a paved path leading up to the front door. There is a wooden gate to the side of the property which leads through to a pathway down the side of the house to the rear garden. There is a driveway, shared with one other neighbour, which leads up to the detached garage with private parking in front.

Entrance Hall 1.9m x 1.9m

The front door opens into the entrance hall with tiled floor and stairs up to the first floor. With doors through to the kitchen, sitting room and washroom.

Kitchen 5m x 2.9m

The tiled floor continues through from the hallway into this lovely light kitchen, which is filled with natural light from a large window overlooking the beautiful rear garden, and a window to the side of the property. The kitchen is fitted with sage green wooden cabinets with a laminate worktop. There is plenty of storage space in this kitchen with both wall and floor cabinets, as well as a handy cupboard under the stairs. The kitchen is fitted with an integrated low level oven as well as a Bosch gas hob with extractor fan over. There is space for a dishwasher, washing machine and larger style fridge freezer and there enough room to have a breakfast table and chairs in here. The ideal logic boiler is housed in the kitchen. With part glazed door to the side of the property and door through to the sitting and dining room.

Sitting and Dining room

A generous sized room with wonderful double aspect, with large bay window to the front of the property and fully glazed french doors out onto the rear garden.
