Description

Set in an elevated position on the edge of Southwell, this three-storey townhouse boasts beautiful views and light-filled interiors. Offering spacious living and a peaceful outlook this is an ideal home for those seeking a contemporary home in a convenient location, just a short walk from the centre of town.

Built in 2022 this property was the show home for this stylish development and sits on an enviable plot with one of the largest gardens on the development. It not only has a garden to the rear but also to the side unlike other similar properties.

The welcoming entrance hall leads to a versatile ground floor that includes a utility room, garage access, downstairs cloakroom and a flexible bedroom or office space.

The thoughtfully designed layout provides comfortable, low-maintenance living with inviting kitchen, dining and living areas that are ideal for everyday life as well as entertaining. Take in the far reaching views whilst enjoying a morning coffee on the roof terrace, or open up the bifold doors in the kitchen and invite the outside in. With a sunny westerly aspect the kitchen opens onto the patio, creating the perfect spot for al fresco dining.

On the top floor the master bedroom has beautiful views across the neighbouring fields as well as an ensuite. There are 2 further double bedrooms and a family bathroom.

Designed for comfortable modern living, it offers spacious interiors, well-proportioned bedrooms and a seamless connection between indoor and outdoor spaces.

Positioned in a truly sought-after location within an easy walk of the centre of Southwell and only a few minutes walk to the well regarded Minster School. This is a stylish and ready to move into home.
