Severn Road

Positioned between the ever popular areas of Pontcanna and Canton, this distinctive ground floor garden flat forms part of a characterful former bakery and offers stylish, light filled accommodation with high ceilings and a private garden. The property combines period proportions with practical modern living, with well balanced rooms, excellent ceiling height and a layout that flows naturally from the main living space through to the private rear courtyard.

The living room and dining space sits at the heart of the home, opening into the kitchen to create a sociable arrangement, while two double bedrooms are positioned to the quieter side of the property. A rear lobby provides access to both a shower room and the private courtyard garden, creating a useful secondary entrance and a pleasant connection to the outside space. The property also benefits from gated off street parking, a rare feature for this location.

The location is a major feature, set between Pontcanna and Canton, two of Cardiff's most sought after neighbourhoods known for their independent cafés, restaurants and shops. Thompson's Park and Llandaff Fields are both within walking distance, offering green open spaces along the River Taff. The area is well served by public transport links into Cardiff city centre and Cardiff Central railway station, making it ideal for those commuting. Well regarded local schools and a strong sense of community make this area consistently popular with buyers.
